[CALL FOR HELP - Need Relatively Simple Animation for next Video !](#)

posted 15 days ago by [EPic](#) +159 / -1

Since the discord got nuked, we lost almost all our contacts since all the conversations were on discord.

Are there Animators here who can help produce a relatively simple process flow animation ?

Here is an example of the type of Animations that were made & we like the way this looks. Nothing over the top that distracts from the message.

doesn't help op at all - but for my own curiosity - what software would be used to create those animations?
